APOGEE '77
Vol. XII

Cardinal Mooney High School
800 Maiden Lane
Rochester, New York 14615
Conducted by the Brothers of Holy Cross and Sisters of Mercy

We Thank You, Father . . .

for being with us for fifteen years.

*Y*ou pioneered the untraveled road that was Mooney in September 1962.

*A*s our first chaplain you listened and cared and shared the "bumps" of our beginnings.

*M*any have turned to you over the years and found a friend.

*Y*ou taught us in the classroom, you counseled us in your Guidance Office, you deepened our lives by introducing us to Canandaigua Retreats and Teen Seminars.

*I*f we stumbled on the path, we always knew we could turn to you and straighten out our lives. Every day you have made it possible for us to share your morning Mass. As a priest, you have reached out to us and shown us riches on our road.

*N*ow your mission as a Holy Cross priest takes you down another road. We'd like to think that Mooney's spirit has rubbed off on you; that when you travel down the new road ahead, a part of us goes with you. We shall remember you.

*A*ll the students and faculty and 3600 alumni wish you well, Father Haycock, and the staff dedicates its *Apogee '77* to you as a thank you for being the priest you are.

*O*ne final travel tip; Father — all roads lead back to Maiden Lane!

roads

*Like our lives, are winding
With sunlight and shadow.*

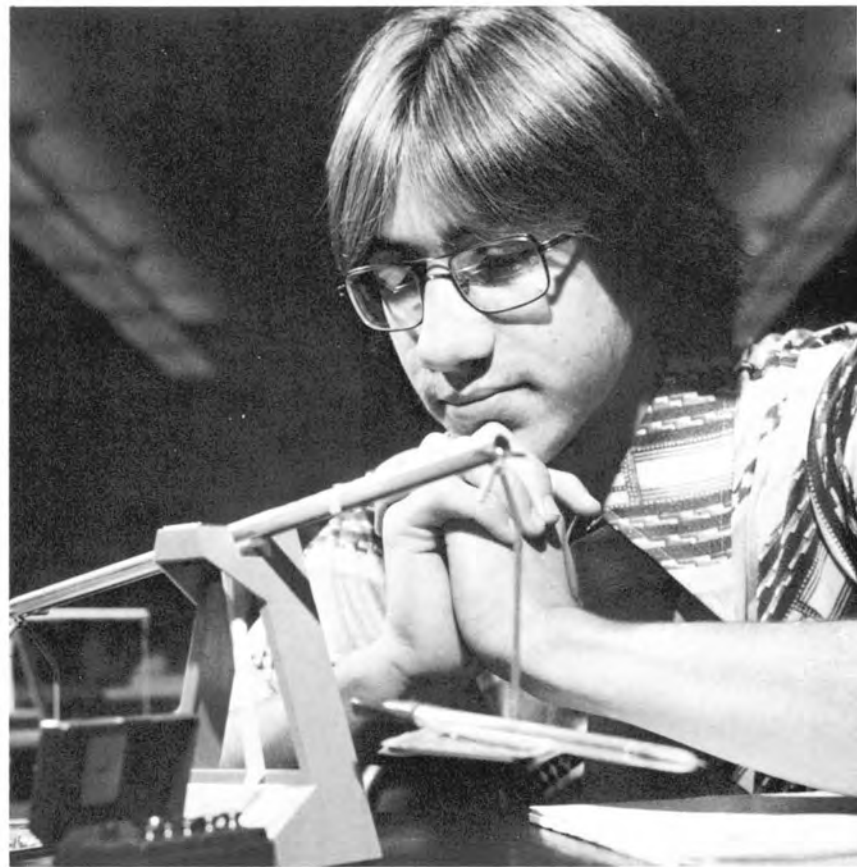

Often we come upon
 A place to rest, to pause and ponder ...
 A bit of dust and fallen leaves ...
 A marker for remembrance.
 The warmth of a sunlit path beneath our
 feet
 and
 Cool relief when warm paths stretch beyond
 endurance.
 The green of growth around us through the
 years
 To tell us there is always *life*,
 A fresh start ... a new day ... a new
 season ...
 A new reason
 For traveling down the path thoughtfully,
 With awareness and caring
 For what we meet upon the road:
 a touch of beauty
 the fragrance of a flower
 the little creatures
 the nobility of another life that crosses
 ours.
 And just around that corner
 Where the road bends
 Lies
 uncertainty ...
 adventure ...
 a goal to be pursued ...
 hope ...
 happiness ...

*And someday
 Life
 In all its fullness
 A forever road.*

Challenged by our knowledge . . .

the journey taken determines the results.

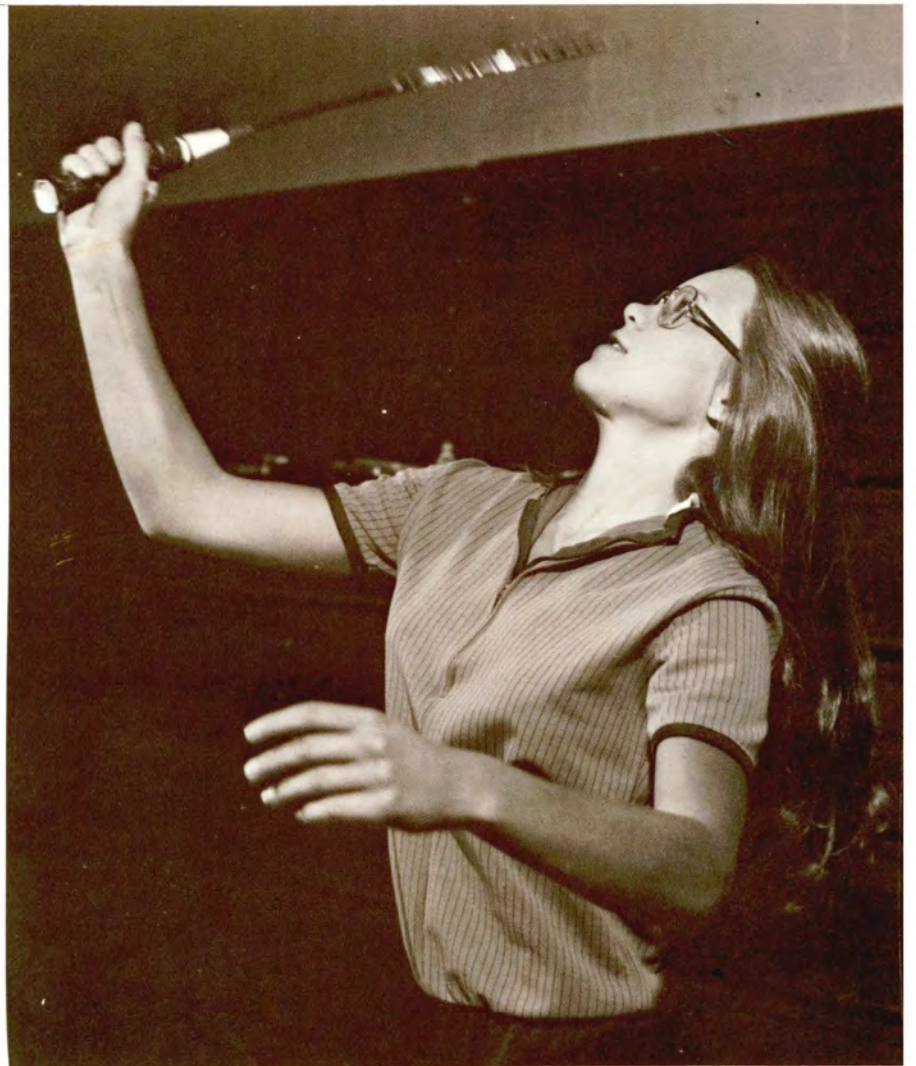

*The gladdest hours that we know
begin with a friend or two.*

-Wilbur D. Nebbit

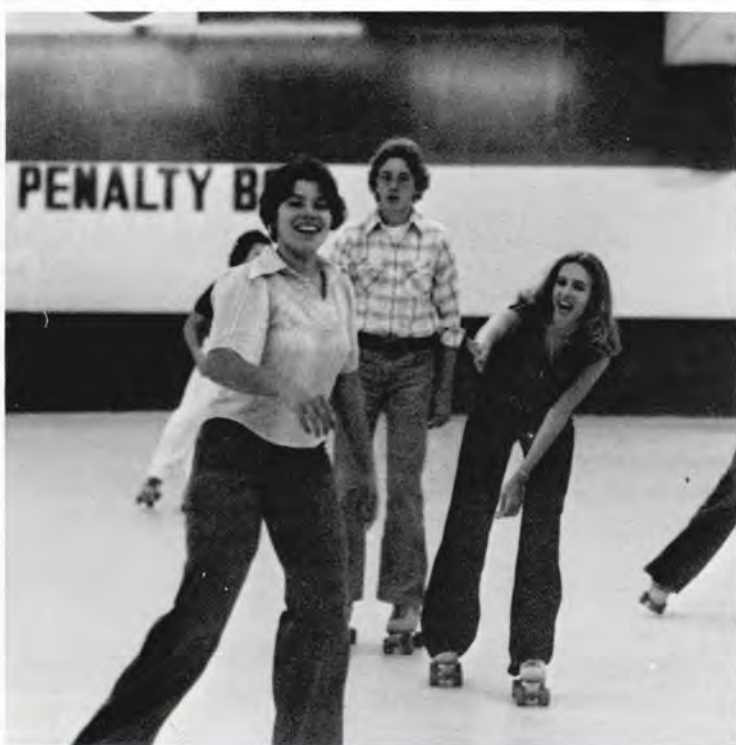

Happy moments in school

shine above the disappointments encountered.

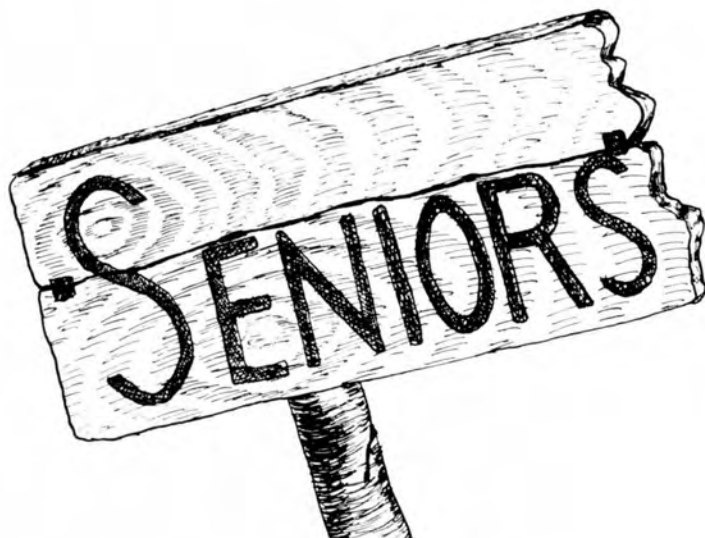

Like the twilight in the road up ahead,
 They don't see just where we're goin' and all
 the secrets in the universe.
 Whispers in our ears and all the years
 Will come and go and take us up,
 Always up ...
 We may never pass this way again.

— James Seals and Dash Crofts,
 "We May Never Pass This Way Again"

Smile! He's taking our picture.

The teacher's apple?

The senior soccer team???

Let's all say 'Cheese'.

Just think! In ten years I'll have a secretary doing this for me.

Christmas Formal, "Crystal Carousel".

Tony Juliano peps 'em up.

Mooney Spirit!

The Hustle.

The Student Council, together with its officers, moderators, and homeroom reps, meets every month to plan activities for the entire student body. Among the activities sponsored by Student Council this year were pep rallies, Homecoming Weekend which included a dance with the "Studebaker Hawks" playing, the Christmas Formal, "Crystal Carousel" which featured the "Sunshine" band headed by a former Cardinal Mooney student, John Romagnola, an "Anything Goes" field day of games, crafts, food, etc., and assemblies which included the Act One Company, a comedy-variety, FLASH IN THE PAN, a General Motors production, PROFILES IN PROGRESS. Student Council also assisted in many school activities such as the sale of dinner tickets for the Women's Guild and the Alcohol Awareness Day. This year they also planned an assembly featuring excerpts from the spring play, SOUTH PACIFIC. Discussing current school problems and events of concern to all the students is also a Student Council responsibility.

Gina DiBella

Homecoming Queen, Mary Ann Masters and her escort, James Link.

The Paper Drive initiated with much enthusiasm the A.F.P.A. round of activities. We picked probably the wettest day of the year but still netted \$1600, which was sent to Mother Teresa for her work in Calcutta. Our Hallowe'en party was held at Park Ridge Day Nursery. Everyone dressed up and plenty of food and enthusiasm accompanied us. In January our party for the Golden Agers was such a success that they reciprocated and invited us to a party in March. Other recipients of our help included the Holy Cross missions in Uganda and people in our own Rochester community such as the Muscular Dystrophy program. Our satisfaction is in knowing how much these people need our help and how much they appreciate whatever we do.

Barbara Burke (President)

FIRST ROW: Catherine Zorsch (Vice-President), Tamara Miller (Treasurer). SECOND ROW: Barbara Burke (President), Mr. Kenneth Bedard (Moderator), Debra DeLoria (Secretary).

Dear Editor:

In a world that leaves much to be desired, it is refreshing to witness American youth ignore the bitterness, greed, and selfishness that exists in today's world and do "their thing".

On October 9th, a steady, never ceasing, cold, bone chilling rain fell all day --- on October 9th, the students of Cardinal Mooney High School conducted a paper drive --- on October 9th, bright-eyed, casual, matter-of-fact, laughing, soaking wet kids loaded over 170,000 pounds of old newspapers and magazines into four trailers. What's the big deal? They were going to use the funds for sports and recreation--- right? Wrong!!! Every dime was donated to Mother Teresa's Orphanage in Calcutta, India as a project of the Student's Action for People Association.

I, too, was cold and wet on October 9th, while directing loading of the trailers, but wouldn't trade the memories of that day for all the warm fireplace seats in Rochester.

To Brother Aubert Harrigan and his faculty who helped load paper for eight hours, to Donna DeLoria and her student friends who worked on the paper drive, to the parents of these great kids who hauled in paper and assisted with traffic --- thank you for a heartwarming and memorable day.

Lawrence R. Shatzel

It's Christmas Time At Mooney

Santa brings his jolly "ho, ho, ho's" to the Christmas Formal.

Bishop Hogan concelebrates Mass with area priests.

Did you notice the mistletoe up there?

The construction crew for Christmas capers.

Our faculty becomes a Seraphic Choir at the Christmas Concert.

CHRISTMAS SPIRIT, seemed to touch the lives of everyone at Mooney in one way or another. The flicker of the spirit became evident perhaps where the students were creating decorations for the cafeteria, or while the Sophomores were enjoying their class Christmas party, or during the Christmas music concert, or possibly even when Jolly Old St. Nick and his friends made an appearance at the Christmas Formal. The spirit seemed to grow more and more while the students brought in their food for the people of Uganda and it finally reached a climax during the special Celebration of the Eucharist for the entire student body. Maybe unknowingly, they spread their Christmas Spirit to all.

Mary Weber

Sophomores have a unique way of ringing in the new year!

Mooney's Christmas spirit is spread to Uganda through the A.F.P.A. Food Drive.

Through the looking glass world

The world of fantasy! Through "Alice in Wonderland" we found that this "world" was full of love, new experiences, and many sincere friendships. With the animation of the White Rabbit, the Caterpillar, the Mock Turtle and many more different characters, Cardinal Mooney's stage came to life. None of this could have developed without the excellent direction of Brother Michael O'Palko and many teachers, parents, and students who helped. As Alice once said, "Life . . . what is it but a dream?" All the characters hope this play has made your "dream" a happier one.

Ann Winkler

The Caterpillar (Dave Walker) gives advice to Alice (Ann Winkler).

The Gryphon (Connie L'Abbate) muses, "Oh! What a headache!"

Alice scolds her Cat (Tina Fuller).

Alice breaks up an argument between Tweedle Dum (Vicki O'Connell) and Tweedle Dee (Theresa DeMarle).

The Mad Hatter (Ron Madurski) speaks of 'time' to the Door Mouse (Barb Evans) and the March Hare (Paul Edmonds).

The Door Mouse tells her story.

"The Banquet"

A SHERLOCK HOLMES THRILLER

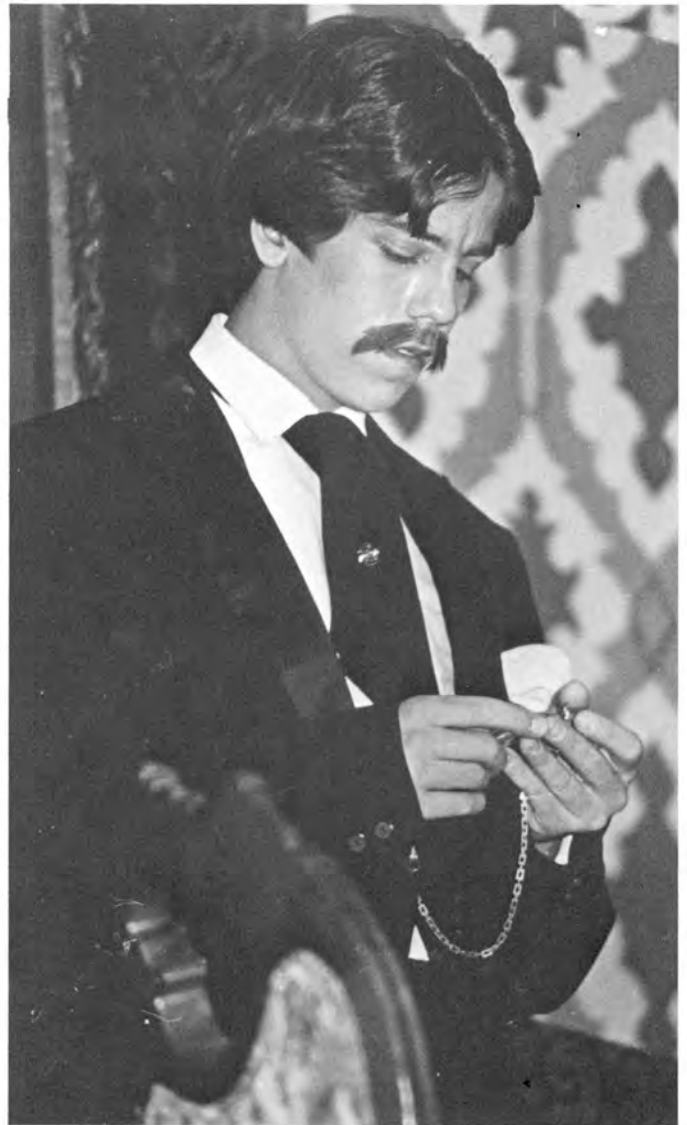

Lady Agatha (Eileen Rose) welcomes Sherlock Holmes (Tony Mannion) and Dr. Watson (Ken Hallatt) to Baskerville Hall.

The Barrymores (Gina DiBella, Joe Connor).

"Why are you asking me all these questions, Mr. Holmes?" asks Laura Lyons (Maria Vivinetto).

Sir Henry (Joe Oster) reflects impatience and anxiety.

Jack Stapleton (Mike Neary) warns his sister, Kathy (Nora Brickler) about his strong disapproval of Henry Baskerville.

Sherlock Holmes (Tony Mannion) logically deduces the happenings at Baskerville Hall.

PLACE: Baskerville Hall, a manor house in the moors of England's west country.

TIME: The 1920's.

Add to this a lurking hound and much intrigue and you have a picture of Mooney's play in early November. Sherlock Holmes and Dr. Watson paid a visit to solve another mystery, *The Hound of the Baskervilles*.

Rehearsals were many and confused lines were part of these performances: Watson saying two lines together, "Certainly not, I did," or Holmes remarking, "Perhaps I can answer that, Mr. Question," or Barrymore's famous line, "It has a light to cut the beam." The play survived these errors and not even Holmes is needed to find out why. Brother Michael O'Palko, veteran actor and producer, directed in his usual fabulous way. We thank him for his time and patience with our cast and crew. It was a great experience.

Tony Mannion

Perkins (Connie L'Abbate) gasps as Watson (Ken Hallatt) tells of the reality of the hound.

Stage Crew

In order to have successful productions, the work behind the scenes is just as important as the performers' jobs on stage. The Production and Stage crews are made up of dedicated, hard working people who perform the tasks involved in lighting, sound effects, and scenery. These people enjoy getting together to do just this and to have fun in the process.

CARNIVAL '76

A whirling spotlight traced circles in the night sky and drew all to the Bicentennial year Cardinals' Carnival. Raffle tickets were drawn for the winner of the special prize of \$1976. But what we remember longest are the things that remained the same: the pleasure of warm May weather, rides that do funny things to your stomach, thousands of goldfish finding new homes, testing your skill with a ball or water gun, and memories of the fun you had at the Carnival.

EQUAL REPRESENTATION was the basis for the Cardinal Mooney Band this year. Rather than have two separate performing groups, we all worked together as one. Young and promising musicians comprised the majority of the band along with the already developed talents of the upperclassmen. Each of the four classes added its own unique dimension to the musical quality of the group. It was a very productive year for us, as we presented a Fall concert, a number of Christmas concerts, and a Springtime one.

Camera Club

To introduce students of all years to a valuable skill that can provide them with fun and enjoyment and even help in academic work is the aim of the Camera Club. Exploring the basics of picture taking, camera handling, film exposures and composition comprise its activities. At times, Camera Club members render valuable service to the publications, sports, and various activities.

Chess Club

Entering the room in which a Chess Club meeting is in progress, you might be surprised. The club, moderated by Brother Raymond, has various levels of competition. The meetings are more fun-oriented than deeply serious. About fifteen members meet twice a month to share their chess skills, but most important, to share themselves.

Girls' Athletic Association

'Involvement' characterizes in one word the aim of the G.A.A. — to get more girls involved in school activities such as cheerleading, playing on Varsity sports teams, participating in the intramural program or even just watching these events. Every girl is a member of the G.A.A. At the end of each sports year, a banquet is held to award trophies and letters to those girls who participated extraordinarily well in these programs.

Ski Club

Taking to the slopes is exhilarating and just plain fun. Ski Club members enjoyed even this winter's nippy temperatures. The "Franz-it" club was a special group of kids within the Ski Club who headed downhill as fast as possible. Luckily we weren't so accident prone this year. A special thanks to our moderators, Miss Murray, Mr. and Mrs. Holowka, and Sister Virginia as well as to all who came or helped out.

French Club

The French Club consists of a small group of students who are interested in learning more about French culture. Through meetings and activities such as sampling French foods, listening to guest speakers who have traveled in France, our hope is to encourage a greater knowledge of France and to develop an understanding of the French way of life.

Spanish Club

Visiting a Spanish art exhibit, eating at a Spanish restaurant, inviting native Spaniards or Mexicans to visit and chat with the students — these were some of the different activities encouraged by this years Spanish Club members. These ventures were in keeping with the aim of the club to promote interest in the Spanish language, its customs and people. Enjoyment and appreciation were evident and we hope to share even more ideas with more members in upcoming years.

Mrs. Laurine Haefner (Moderator)

A special "thank you" to our "ROADRUNNERS"! This energetic group of students volunteer their services during a 'precious' study hall period to help out in the Main Office or in the Guidance Office in countless ways.

They can often be seen from top to ground floor, delivering messages or matching up lost lunches, notebooks, etc. with the proper owner. We'd really be lost without their help.

Thanks again — you're all great!!!

Red Cross

Spreading cheer and lending a hand in time of need is what Red Cross members feel their organization is all about. Therefore, we visit hospitals and nursing homes. At Christmas we raised money to adopt a needy family. Our biggest project was the annual Donor 17 Blood Drive in May. Our group was small but the love we shared was not. Many thanks to Mrs. Florence Selmyer for her dedication and encouragement as our moderator.

Bookstore Workers

Shelving books, filing cards, doing homework — these are some of the tasks done by library workers. The library workers are students who help out the librarian during their study halls. They endure freezing temperatures, falling plaster, and those 'characters' who break the Xerox machine. Devoted to delivering passes, sorting magazines, and pestering the librarian, Mrs. Probst, they are very willing, usually helpful, and almost always in the back room. We extend our thanks to these students for their hours of service.

Michelle Fleig
Jim Fleig

The bookstore workers generously donate their services both before and after school each day to assist students in obtaining needed items for school work. Their service is invaluable.

The Retreat Experience —

Sharing the Eucharist ...

Evaluating ...

getting to know and grow . . .

Every year Retreats are given for Sophomores so they may come closer to Christ, get to know people, and find out more about themselves. They consist of filmstrips, movies, and small group activities as well as liturgical experiences aimed at helping us love others as Christ loves us. The atmosphere of the Notre Dame Retreat House in Canandaigua is one of peace, as if there were no troubles in the world. We prepare the liturgy of the Mass and celebrate it just before returning home. The days' activities and various liturgies are conducted by Father Bob Hammond and coordinated by Father Haycock. Junior and Senior students staff each session. During these days there are "no strangers, just friend we haven't met." Returning from Notre Dame with the realization that all we have to give is love for one another, we hope to help make the world in which we live a better place for all.

Myriad

One of the questions most often asked around Mooney this year was "What is a MYRIAD?" By now, it should be no secret. The dedicated staff members have done their very best to let the student body know that the MYRIAD is the school magazine. It offers students an opportunity to display their literary and artistic abilities. All in all, we feel it has been a very challenging and very satisfying year.

We did it again! For the seventh straight year our baseball team captured the City-Catholic League championship. For some of us, it was our third in three years. This team showed a real desire to play and the determination to win. We were well disciplined and as players and friends, we were very close to each other. The season was highlighted by our winning 23 games, winning the City-Catholic League title, and winning 18 games in a row before losing to a tough Fairport team in the Sectional final in extra innings. Speaking for the eight other seniors, we would like to thank our coach and friend, Mr. Nietopski. For three years he taught us how to play the game the way it should be played and most of all, he treated us like men. In our eyes, "He is the best."

J.V. Team Hits Hard

We've got a winner! Our J.V.'ers showed that winning teams are to continue in the future for the varsity squad. It was a team of tremendous talent and skill level both offensively and defensively. The hitting attack was led by freshmen short-stop Len Rizzotti with a .430 batting average. Freshmen Greg Egan and Mike Duell along with veteran sophomores Jim Verdi and Rich Eichas held very impressive hitting statistics during the season. The pitching staff consisted of four very fine freshmen players. Control artist Roger Klimek led the staff with other fine performances coming from Mike Roncone, Steve Snyder, and Joe DiMartino. All in all it was a very fine season for a group of hard working young men.

One of our finest records was achieved by this year's team, 7-4. In Sectionals our singles' player, John McCarthy, made it to the semi-finals while our doubles' team of Don Frank and Rob Fagan made it into the finals. Our defeats and wins made us stronger. Brother John had his moments of pride and joy along with times of anguish. Our goal was to be a team of sportsmen, winning or losing, improving our talents while gaining experience. Dedication was the secret of our success.

On The Course

Despite a losing record, our golfers displayed the desire and attitude of which winners are molded. A winner is a person who never gives up and always tries harder than his opponent. Cards' pitcher, Dianne Agostinelli, batted .500 for the season and also led in RBI's.

Mary Jo Mitchell led the team in stolen bases. She was voted most valuable player.

Just one game out of first place! Despite the cold, wet spring, the softball team finished in second place in the Private-Parochial League. This gave us a chance to enter the Sectionals against a strong Hornell team which defeated us 10-4. The team was led by some extremely talented seniors, backed up by a host of eager freshmen and sophomores full of enthusiasm, confidence, and potential. With the returning letter winners and promising underclassmen, I look forward to the next season which promises to be one of the best.

Coach, don't make me run that 2-mile!

Only in the closing minutes were most of our races decided. With Olympian desire our small but dedicated group of athletes performed, expending their last amounts of energy to the cause of Christian sportsmanship. This year's 440 relay squad of Newhart, Magee, Leonardi, and Mulholland was the best in recent years as was the running of miler Eric Braun who tied the school record of 4:31. Pat Collins spared 12'6" in the pole vault, also tying the record. Pat went to Section V competition. Leaper Bruce Brooks and miler Jim Panaggio also went on, all three faring well in their events. In all, the thinclads of '76 left fine performances, happy memories, and best of all, promises of much to come from our upcoming underclassmen.

Close Scores — Thrilling Victories — Rebuilding — Mark Gridiron Season

We were unique in many ways this season. Although we had a losing season, it will be remembered as one of the hardest fought years. In four of our games we lost by a total of 14 points. Highlighting our season were our victory over East, otherwise undefeated, and over Aquinas, a hard hitting thriller in which we battled to a 14-14 tie. As players, we are proud of our year and coaches.

Greg Egan rambles for some yardage against McQuaid.

Ask any J.V. football player what the team record was and he will say, "It was 6-3, but it should have been 9-0." They lost close ball games to McQuaid, Medina and East Rochester. Their strong attacking offense was led by Freshman quarterback, Jeff Duell and the great running threat, Greg Egan. Their action was complemented by a hard hitting offensive line and a tight defense. This fine team should be a major factor during next year's varsity season.

We're #1!!

Touchdown! And on to a win over Eastridge.

With an undefeated record for our freshman season, we can look forward to future football seasons. We attribute our success to the excellent coaching of Mr. Mitchell and Mr. Spurling and the determination and hard work of the players. The final record was 6-0-1. The tie was against McQuaid, 6-6. We beat our arch-rival Aquinas 6-0. In total points for the season we outscored our opponents 205-26, and tied the freshman record of 4 shutouts. Last but not least by any means, we would like to thank the cheerleaders for the hard work they put forth.

Girls' Field Hockey Team Captures League Title

Through hard work and enthusiasm our young, inexperienced Field Hockey team won the City-Catholic League championship. This sent the team up against highly skilled Brighton High in the Sectionals. Although the game was a tie, Brighton won on penetration time. However, it was a victory for our team. All the time and effort proved to be worthwhile.

Jim Panaggio carries the ball uphill for Mooney.

Don Drum shows "his magic" to an Edison defender enroute to one of his 42 goals scored in three years.

A balance of seasoned veterans and anxious newcomers, who complemented each other perfectly, marked our 1976 team. Senior Captain Don Drum led the team with 15 goals and 9 assists. Don, a three time All City-Catholic performer, was a team inspiration and leader who catalyzed the success reached this season. Offensively, All City-Catholic selection Chris Leonardi added 16 goals along with Brian Monaghan's 11 and Bill Begy's 7. Defense and mid-field units combined to set a new school record of "fewest number of goals allowed" which was 21 in 17 games. The midfield was spearheaded by Junion Rich Eichas along with Seniors Jim Panaggio and Tom Brickler. The defensive unit was supported by Sophomore All City-Catholic selection Ron Howarth and Seniors Will VanDeValk and Randy Delgatti. Goalkeeper Pete Cumbo set a new school record of 6 shut-outs this season and established himself as the premiere goalkeeper in the area.

Over the last two seasons the Mooney Booters have established an amazing 27-5-2 record. This Soccer Power can be attributed to hard work, dedication, and team unity which the Mooney Booters are so proud of.

J.V.'ers Finish Second In League

An impressive 12-3-1 record was compiled by the 1976 Soccer team. Sophomore Custy Panetta led the booters with 13 goals, followed by Freshmen Mark Faticone with 7 and Tim Barone with 8. Midfield strength was created by Freshmen Mike Koster and Tony VanDeValk with help from Sophomores Larry Messmer and Mark White. Defensively, Captain Al Faga created a tremendous backbone with support coming from Dave Proud and John Dell'Anno. In the goal Freshman Morrie Dzwigal opened the eyes of many Mooney fans with his diving heroics. All in all it was a very fine team with tremendous spirit and dedication.

The Cardinals Run On And On . . .

The Cross-Country team of 1976 was a markedly improved team. The Maiden Laners downed four rivals, losing only three by narrow scores. Outstanding finishes were at East High Invitational with a 4th and at McQuaid with a 7th. Senior Eric Braun led the team, placing second in City-Catholic, fourth in Section V and 48th in the New York State meet. Bob Acker also ran fourth in the City-Catholic scores. The harriers look toward '77 with new faces and possibilities, though hampered by the graduation of Seniors Braun, Tydings, Lynch and Madurski. A special thanks to Coach Tydings who helped the team through the last half of the season.

Bowling — “Right Down Your Alley.”

With only three members of last year's team returning and with lack of experience, the team started slowly but soon began to improve their performances. The season was highlighted by a 6-0 victory over a strong team from McQuaid. Senior Bob DeCarlo bowled well consistently while Tom Naum and Brian Henry had some good games. With five underclassmen returning next year, the bowling team should do well in the future.

Varsity Wrestlers Surprise Opponents In Greece Tourney

For four months twenty-five wrestlers worked their hearts out from early November until the end of February. Mooney's wrestlers underwent a vigorous schedule of exercise, running and dieting in preparation for the '76-'77 season. In the record book the Cardinals' duel meet record did not fare well. But with great individual efforts by C-C champion Tom Heindl (145) and third place finisher Dan Holmes (112) along with the rest of the young team, the Cardinals' wrestling team can be proud of their record.

Mat Maids

Hustle — great desire — and most important, a closeness among teammates that can be seen and felt — these are the qualities a winning team needs. We had them. In his own way, each player contributed something special to this team. With a tenacious defense and an exciting offense the team compiled a 14-4 record, losing four games by a total of 10 points. The team had a deep sense of loyalty to and respect for Coach Nietopski and also for Mooney, shown both on and off the court. The team is grateful for the support they received from the administration, cheerleaders, section 6, and all the faculty and students who cheered them on.

Exciting Basketball Marks J.V. Season

Exciting moments of basketball along with its disappointments marked the '76-'77 Junior Varsity basketball season. The team always worked hard to keep Moon-ey's tradition and pride in its basketball. A coach's thanks to the young men who gave so much time and effort to a fine season.

Coach Mike Haugh plans game strategy.

"Hard luck" in the guard department threatened the Frosh basketball team early in the season and again at the end. This team was not, however, short on heart. They put together a good series of games until the snow fell and eleven practice days were lost. Even at this, the team continued to play a strong floor game as they had earlier in the season. Foul shooting was our glaring weakness and a disciplined approach to offense and defense was our strong point.

I would personally like to thank the ballplayers for their efforts this year, for the opportunity to coach them, to "kid" them, and to enjoy what I hope will always be, their friendship.

The winning streak of the Girls' Basketball team spanned most of the season until Franklin broke it in the fourth last game. It was one of our best seasons and teamwork was at its peak. This was Miss Krenzer's first year here and we'd like to thank her for all her time and efforts to make us a winning team.

Another basket for Meg as the Cards defeat Mercy, 53-35.

Sharp shooting by Lynne Kirchmaier (who gained 14 points) helps Mooney win over Madison, 49-34.

Girls' Volleyball Players Spike Their Way To Second Place

This year's Varsity volleyball team captured second place in the Private-Parochial League with a final League record of 6 wins and 4 losses. The team was led by the best all around efforts of Junior teammates Joanne Hogan and Mary Ellen Hart, and Sophomore Debbie Berl. With four returning lettermen and a host of promising Freshmen and Sophomores, next year's team should be one of Mooney's best.

Students-Faculty Enjoy Competition

Mooney's Rockettes get set for the race.

"Over the river and through the woods to grandmother's house we go ... da-da-da-da-da ..."

Getting together is the aim of these Student-Faculty games which include the Turkey Trot before Thanksgiving, a football game, volleyball and sometimes a basketball game. The faculty distinguished themselves in the football and volleyball games.

Pre-competition predictions to instill enthusiasm often amused the students: Mr. Bamford promised to burn Brother Raymond's sweatshirt; Brother Aubert was secretly training for eleven months; Brother James promised to tackle Brother Raymond in the woods; Miss Krenzer, the supposed Olympic Gold Medalist, would beat Mrs. Holowka ... Isn't it ironic that none of these predictions came true?

Varsity Cheerleaders

For Cardinal Mooney cheerleaders '76-'77 was a year to be remembered. We cheered our teams to victories and supported them through difficult defeats. Through hard work, patience, and much practice we tried to represent our school proudly. The friendships we made and the good times we cherished have made this year a memorable one. This year we received the highest award granted to cheerleaders — we won the Section V trophy for Cheerleading Excellence. It is a wonderful feeling to be #1 and have a trophy to prove it.

To Our Lady's Good Servant,

MOST REVEREND JAMES EDWARD KEARNEY, D.D.

Fifth Bishop of Rochester

1937 - 1966

Born October 28, 1884

Died January 12, 1977

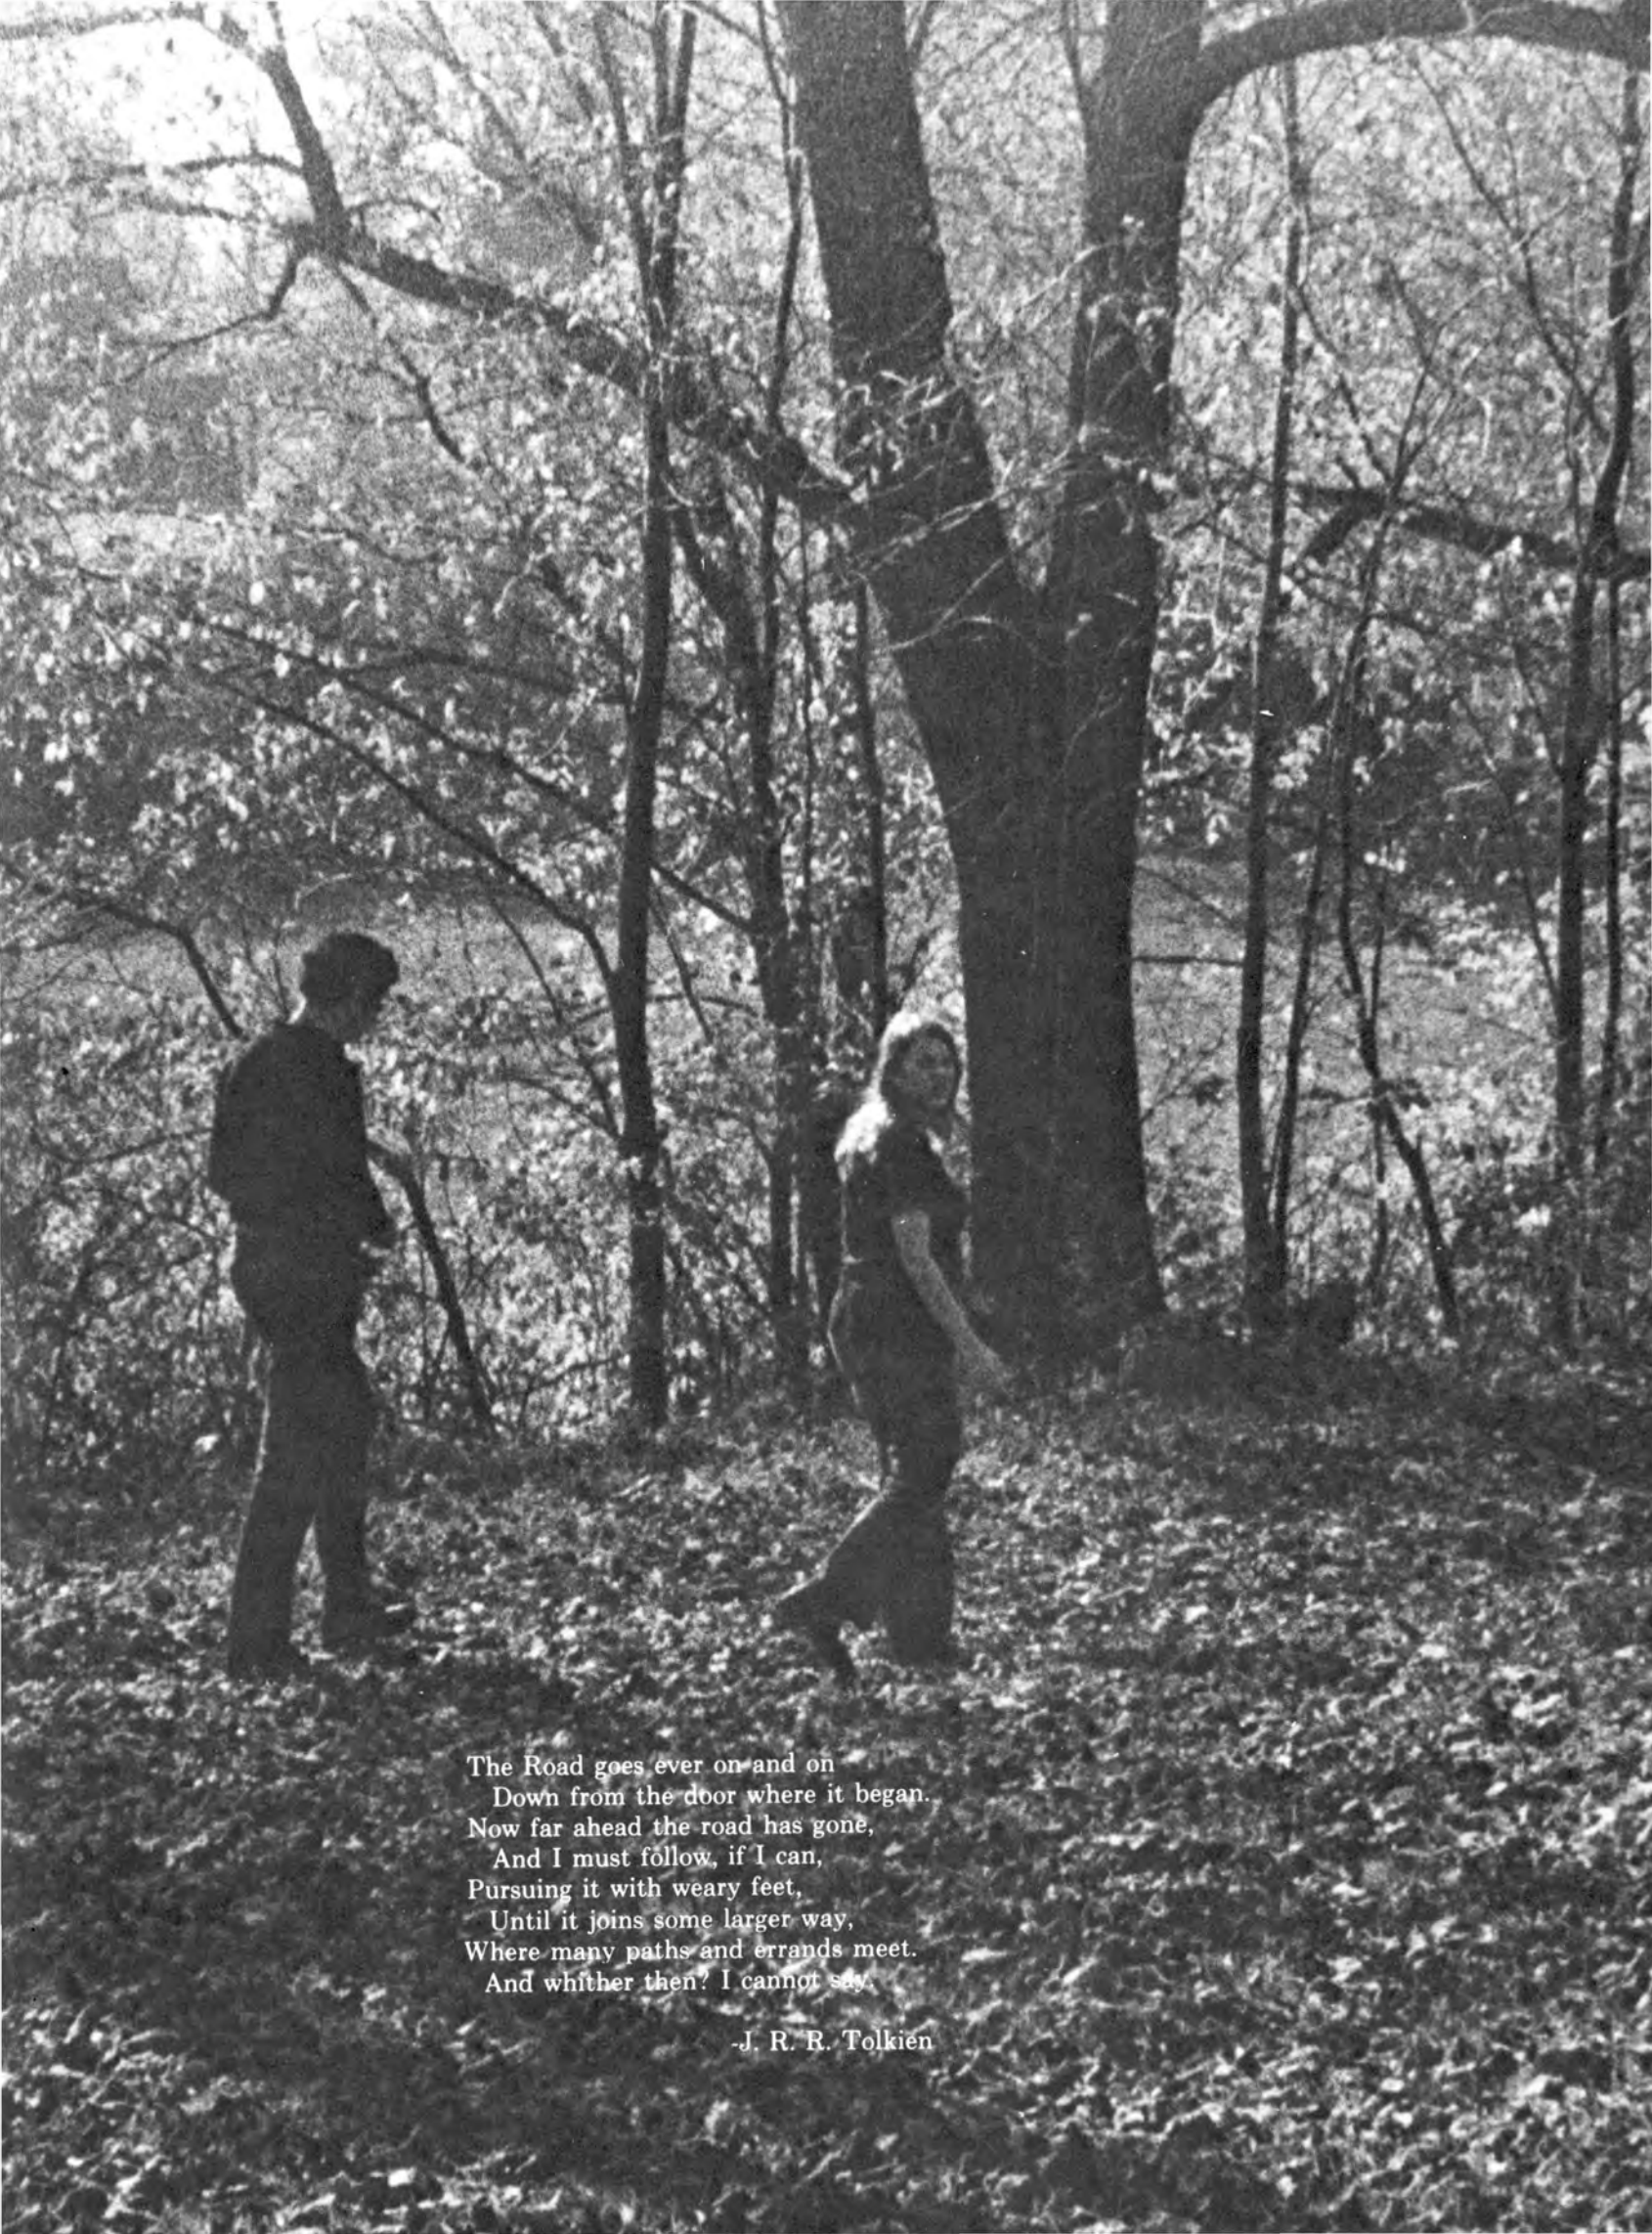

When Cardinal Mooney High School began in 1962, you, Bishop Kearney, were Bishop of Rochester. As such, you initiated the building not only of Cardinal Mooney, but of five other high schools and forty-five elementary schools. Truly, you were the friend of young people.

Many times while you were an active Bishop, you visited our school. Most remembered are the occasions when you came to pay honor to our Blessed Mother. The picture above shows such an occasion, a May Day celebration at our Athlete's shrine.

We shall remember you for many gracious deeds as you traveled down our road. When you reached the bend in the road ahead of us, it was not so much saying farewell to a Bishop as goodbye to a friend.

But most of all we shall always think of you as Our Lady's good servant. We're sure that she, who at many gatherings in many Mays received a crown from you, presented you with yours that January day when you began

LIFE
on the forever road.

The Road goes ever on and on
Down from the door where it began.
Now far ahead the road has gone,
And I must follow, if I can,
Pursuing it with weary feet,
Until it joins some larger way,
Where many paths and errands meet.
And whither then? I cannot say.

-J. R. R. Tolkien

Dear Friends:

As we sit back now and reflect on the past days of *Apogee* '77, we can only just begin to realize all the efforts that were put into the making of this book. We don't know how to thank our adviser, Sister Mary Eymard, who guided us through the many months that led to the production of this yearbook. We return twofold the care and the love that she has shown us.

Mr. Anthony Bruculere, our yearbook representative, always came to our rescue when we got in a bind. We thank him for the many trips he made to and from Mooney and his help in all our last minute creations. To Mrs. Bruculere, who works behind the scenes receiving and relaying telephone messages and baking Christmas cookies, we'd like to say — you're great!

Brother Kenneth and Ron Leicht, Joe Noble and Chris Resch, contributed a great deal of their time and talent to the painting of our office and cleaning up after us. All will agree that it was a job well done.

A lot of literary research was done by Susan Eddy. Sue spent many hours gathering materials and organizing her efforts, so that we could use them in our book.

Pat Thornton contributed several of her beautiful pictures of Scotland which appear at the opening and close of our book. A very sincere thank you.

The magnificent picture of Bishop Kearney appears through the courtesy of Mr. Edmund Nietopski.

With the special help of Dawnbreaker Music Co. we were able to present part of Seals and Crofts' "We May Never Pass This Way Again" to enhance the theme of *Apogee* '77.

Brother Ferrer, our 'chief', who fixes typewriters, relays messages, and generally keeps us all in line, we wonder where "the outfit" would be without you.

Grace Chanfrau, what shall we add to our thank you for your superior design for the cover, Table of Contents, dividers, and all art work? Grace spent many hours just thinking and many more, just creating.

Many thanks to sports team players and coaches for identifying, choosing, and captioning the sports pictures.

We never would have survived without our layout staff members who answered our frantic messages in the H.R. bulletin.

A special thanks to Mark Swiatek for we don't know how many extra hours of work. We also thank Mary Lou Hank, Patty Wahl, Laurie Acker, Sue Bartula, and Katie Brennan for their work on the Senior Section.

Without our dedicated photographers, the yearbook is nothing — especially Joe Noble who coordinated all this, Chuck Agostinelli, Dan Trabold, and Al Fuller.

Thanks to Bob Lohwater for his 4:00 visits and his moral support.

To Kathy Schultz and Monica Savino, we thank you for your many hours of counting and collecting and especially for not taking off for Acapulco with our money.

For all their hours of gathering and collecting, writing and presenting the finished product for our book, we thank all our editors — Paul, Tim, Debbie, Chris, Joe, Al, Monica, Kathy, and Grace.

We owe Varden Studios a round of applause for the many "rush" orders that came back to us sooner than expected. We'd especially like to thank Mr. Carl Tandoi for answering our calls for help; Mr. Stan Young for his help, Mrs. Michaloski for delivering rolls and rolls of film, and all the Varden photographers for their cheerfulness during the long hours of Picture Days, and for the cold and heat they've gone through to get our pictures. A special thanks to Mr. Greg Smith and Mr. T. Gordon Massecar for those rush sectional pictures.

We appreciate the cool refreshment of the pool at Sheraton Motor Inn in Syracuse, N.Y. at 1 A.M. on October 23. We give a big hug and kiss to the TTT for the restful night's sleep.

This letter would not be complete without expressing our deepest appreciation to you, the students, faculty, and staff of Cardinal Mooney, for providing the spirit inside *Apogee* '77.

Gratefully,

Pam & Mary

Triple A Section V Champs!

WE'VE GOT IT!

This year, as in the previous three years, the Varsity cheerleaders were judged at each of their games on image, precision, variety of routines, effect, and sportsmanship. At the end of the basketball season their victory was announced and the trophy was awarded at the final Section V basketball game at the War Memorial. Sheila Dugan and Beth Krasavage, as Captain and Co-Captain, led the cheerleaders through a super year and on to the championship. Much credit goes to these thirteen girls whose hard work and determination made them champs. This competition was initiated four years ago and this is the third year that the Cardinal Mooney Varsity has won.

It was worth the effort!

Mooney entered the Section V Tournament seeded third, but fell in the quarter finals to a tough McQuaid team. The Cardinals felt they had a good chance to win the Sectionals, but a lack of rebounding and a few bad breaks denied them their hopes. Mooney beat East 62-60 in one of the most exciting games all year. They weren't so lucky in the quarter finals, falling 61-58 to McQuaid. Don Drum scored 25 points against East and 32 points against McQuaid and was named to the All Tournament team after playing only two games. This is an honor only three other players have ever accomplished for Mooney and Don should be extremely proud. The team would like to thank everyone for their support.

Mooney's Girls Win Sectionals!

A First For Parochial Schools In Section V History

With a combination of talents, the Girls' Basketball Team won the Sectionals. It was the first time a parochial school won the title. "The long hours of practice and faith in God brought us our first," says Co-Captain Charlyn.

Success in the tournament proved to be the result of a team effort. After squeezing by Madison in what proved to be Mooney's worst game, the team advanced to play some of its best basketball of the season. Highlights included Marie Reber scoring her season high against Madison, Mary Ellen Hart scoring 19 points against Irondequoit, Mary Jo Poinan returning to the line-up for an excellent game against Penfield after three weeks with an ankle injury, and Meg Tuttle's amazing 21 points, 21 rebounds, and 3 key blocked shots against defending champion Schroeder.

Mary Ellen Hart, the team's playmaker, was selected for the All Star Team. Because of her outstanding play on offense and defense, Meg Tuttle was selected as the Most Valuable Player in the Class A division of the Section V tournament.
